

Code of Conduct

“Love one another as I have loved you”

(John 15:12)

We respect each other and our school surroundings to make our school the best place to be.

We understand that everybody is different and show patience, tolerance and understanding towards them.

We listen with our eyes and our ears carefully to show that we are caring people.

We know what fairness is and we encourage others to act fairly in class and at playtime.

We always feel proud of everything that we have achieved no matter how big or small it is-we have achieved something!

We help each other by being a positive role model and setting the most wonderful example that we can.

We take responsibility for our actions by telling the truth and showing that we are honest.

We use our friendly faces to show people that we are happy.

We know how important school is to us and we try our best to attend every day and arrive on time.

We Love

We respect

We care

So we can be the best people we can be
