New vocabulary and grammatical structures will be introduced via flashcards, objects and Power Points. Pupils will be encouraged to listen attentively, and new language will be practised in choral repetition, where emphasis will be on accurate pronunciation and intonation, in songs where sounds and patterns of language can be explored, and games. Pupils will gain an appreciation of Spain and her culture. Pupils will be encouraged to ask and answer questions and participate in simple role plays. Worksheets, whiteboards and exercise books will be used, when appropriate, for Reading and Written activities and Assessments.
