

Autumn Term 1 - Year 3 Topic Web

Half Termly Value: Respect

Maths

Place value, addition and subtraction, problem solving,
Fluency: Adding and subtracting mentally

Science

Rocks and soils
Looking at the features of different rocks. Earn the three different types of rocks and how they were made. Move on to think how fossils are made.

RE

Homes: Thinking about the homes that we live and what makes it. Jesus' family.
Promises: Linking the promises made in everyday life to those made at Baptism

PSHE

Being Me in My World
Understanding my place in the class, school and global community as well as devising Learning Charters

English - Reading

Fiction: Our class reader is 'Stone Age Boy. We will focus on developing our VIPERS skills for reading - Vocabulary, Inference, Prediction, Explaining, Retrieval and Summarising.

Non-Fiction: We will use non-fiction books and appropriate websites to learn about the Stone Age, Bronze Age and Iron Age

English - Writing & SPaG

Non-fiction - writing instructions for an invention (imperative verbs, conjunctions)

Fiction work based on I'll take you to Mrs. Cole. (adding suffixes to words, using conjunctions)

Handwriting - correct letter formation and leads into cursive writing

Home-school and community links

The children will contribute to school's 'community afternoon' learning and performing songs and donating to those in need.
Parents/family members will be invited into school during the school day to play times table games and activities with the children.

WOW Experience!

We will have our very own 'baptism': Father Martin, guests, invitations, hymns, prayers, godparents...even party food!

History

Stone Age to Iron Age
Looking at ancient Britain and how they survived in this era. Stonehenge: why is it important?

PE

Football
Gymnastics

DT

Bread: Designing and making their own bread after researching the Warburton family.

Music

Learning how to listen and appraise a piece of music. Introduction to the glockenspiel.
