

ST HELENS CATERING SERVICE

RUGBY LEAGUE WORLD CUP

We are excited to celebrate the latest edition of the Rugby League World Cup. We are proud to be able to say St Helens is hosting three matches of the tournament here in the borough and have the pleasure for the Italian and Tonga Men's National Teams calling our area their home for the duration of the tournament.

We have developed a special menu based around the nations competing locally and dishes well known to our own Nation to celebrate the amazing occasion!
